

# James Chhun

## Web Developer

### EXPERIENCE

DEC 2017 - JAN 2018

#### FULL STACK WEB DEVELOPER

**GlamourByCherry**

*Makeup Artist and Hair Stylist*

- Worked closely alongside client, developed user interface and user experience.
- Designed website using Photoshop.
- Developed personalized full stack web application that acts as a portfolio website as well as personal blog for the client.
- Client can upload photos to a gallery schema in database, as well as publish posts for her blog. Registered users can comment on these blog posts.
  - Website uses NodeJS, Express and MongoDB.
  - User authentication and security using npm-passport
  - RESTful routing and CRUD conventions.
- Deployed via Heroku

JAN 2018 - PRESENT

#### INDEPENDENT

*Student - Freelancer*

- Currently working on multiple self-study projects to improve skills in Javascript and Bootstrap.
- Taking courses studying Angular and Firebase
- Preparing to freelance via Upwork, in the Photoshop design to HTML / CSS conversion field.

### EDUCATION

2010-2014

#### MIRA MESA HIGH SCHOOL

High School Graduate

2014-2018

#### CALIFORNIA STATE UNIVERSITY SAN MARCOS

Senior majoring in Computer Science, expected to graduate in Fall 2018.

2017-2018

#### UDEMY

Enrolled and completed multiple well-known courses on Udemy, a online learning platform. These courses are largely in the field of web development and UI/UX Design and a detailed list of courses and certificates of completion can be found through my LinkedIn.

### PROFILE

I am genuinely intrigued by the theories and practices behind designing and developing a great website from the ground up, from the storyboards to developing a web application. To fuel this curiosity, I am always looking for ways to improve myself as a developer as I envision myself contributing to the future of web development.

I am currently looking for a suitable position in a company to work and learn the best practices for developing a great website for clients.

Please note: career opportunities in Spring 2017 and Fall 2018 must be accommodable to my school schedule, or be available Summer 2018.
